outdoor furniture

## Vacation in your own garden.

STAY™ outdoor furniture is made to let you dream away in your own garden all year round. Imagine yourself in a hideaway and make staying home feel like a vacation. STAY home, STAY relaxed, STAY happy.

We want to bring the entire holiday experience to you. Not only is our furniture comfortable, it's also very low in maintenance and made from durable materials that maintain their superior quality, year after year. No need to stow away your furniture, all fabrics we use are dirt- and water-repellent and UV resistant.

Jump straight out of the pool into our furniture, each piece is made from fabrics which keep their vibrant color even when exposed to chlorinated or salt water.

### Easy maintenance

STAY™ furniture doesn't need much maintenance. The fabrics are not only water- but also dirt-repellent. In case of a stain, you can use some water and mild soap to clean it.

### Quality materials

Your STAY™ furniture is covered with the unique Sunbrella® or Sunproof® fabric. It is dirt- and water-repellent, so your furniture can stay outside all year round in all weather conditions.

### Easy set up

STAY™ furniture is designed with your convenience in mind, ensuring that the setup process is quick and effortless. In just a matter of minutes, you'll find yourself delighting in the comfort and functionality of your newly acquired pieces. So sit back, relax and enjoy your new furniture without the hassle of long set-up times.

### Elegant, modern and timeless designs

Balanced, light and modern. That's how to describe each design of our STAY™ furniture. The unique frames of our products ensure maximum comfort without compromising on design. A STAY™ product in your garden makes you feel like you're in a 5-star hotel.

**Easy creation for outdoor happiness.**

Let's be honest... When you are done looking at the mess around your pool. When you don't want to use your desk as a changing room. Or when you dream of the perfect poolparty with your own bar. Then waiting takes long.

Cubetto has a range of 40 poolhouses to choose from. Thanks to the highly efficient way of producing and setting up, you will enjoy your poolhouse before you know it.

**Practical and sustainable.**

With Cubetto we want to work in an efficient and sustainable way. Not only in our production facility but also towards you. We want to help you by providing a range which isn't only practical but also sustainable.

Therefore, Cubetto is made from durable materials. During the production process we keep waste to the absolute minimum. The waste we do have, is used as a source of energy and converted to green energy and heat.

For everyone.  
Who wants it.
